

iPod Integration Kit

 **Introduction.**

Factory radio compatible iPod integration from DICE! Connect the iPod to your vehicle's factory entertainment system and hear what an iPod should sound like. CD quality sound* and controls from your radio, steering wheel or the iPod. DICE keeps your iPod charged and ready to go. Radios supporting CD-text will also display text from your iPod, allowing you to view song title and artist name right on your radio's display.** Please note that FM-RDS text display does not guarantee CD-text support!

* Sound quality depends on the quality of the music on the iPod.
** CD Text may not be available on all text capable radios. Check compatibility guide for complete details.

 **Warning!**

Do not allow the Apple iPod to distract you from driving! Only operate the unit when stationary or ask passengers to operate it for you. Neither DICE Electronics, LLC., Apple Computer, Inc., its regional offices, distributors or resellers accept any responsibility for any damage or injury as a result of using the DICE iPod Integration Kit. The use of this product constitutes your acceptance of our terms and conditions.

Exercise good judgment and keep your eyes on the road at all times!

 **Getting Started.****Is Your iPod Up To Date?**
